

The background of the slide is a bokeh effect consisting of numerous out-of-focus light spots. The colors are primarily blue and orange, with some white and yellow spots, creating a vibrant, abstract pattern.

IT-TELESIS, SAP optimization consulting

Dynamic, Strategic, Sustainable

Petros Telelis, Founder and CEO, IT-TELESIS

August 2020

Motivation and concept

- IT TELESIS as an SAP® PartnerEdge® open ecosystem member, focuses on SAP consulting services in the areas of Production Planning and Control, and Quality Management. We also offer exceptional consulting in expert areas like Variant Configuration, Project system, Advance Planning and Optimization but also SAP Industry Solutions for Discrete Industries, Mill Products, Oil, Pharma, Automotive and others. We can offer you solutions based on SAP Best Practices recommendations and global standards like GxPs.
- Our experience is spread on 4 continents, more than 20 countries and a wide range of industry sectors like Pharma, Automotive, Energy, Construction, Renewables, Publishing, Food, Cable & Steel Industry, Paints, Publishing.
- We have set a quality management system in place, and recently certified it with ISO 9001, that defines standardized processes for our company. These globally applicable processes enable our employees to share and apply best practices to improve quality and customer satisfaction.
